| <b>Maximum Marks</b> | 1 Mark                            |

### Demonstration of Proposed Features:

This document captures all the features that were proposed during the project planning phase and tracks whether each feature was successfully implemented and demonstrated. It serves as evidence of the team's ability to deliver on the proposed solution.

| S.No | Feature Name           | Description                                | Status<br>(Implemented /<br>Partial /<br>Pending) | Demonstrated<br>(Yes / No) | Remarks                       |
|------|------------------------|--------------------------------------------|---------------------------------------------------|----------------------------|-------------------------------|
| 1    | Event Analysis         | Extract themes from event descriptions     | Implemented                                       | Yes                        | Working successfully          |
| 2    | Conversation Generator | Generates networking conversation starters | Implemented                                       | Yes                        | Tested in Streamlit           |
| 3    | Fact Checker           | Verifies topics using Wikipedia            | Implemented                                       | Yes                        | Produces accurate results     |
| 4    | History Logger         | Stores previous conversations              | Implemented                                       | Yes                        | Saved in <b>history.json</b>  |
| 5    | Feedback System        | Records user feedback                      | Implemented                                       | Yes                        | Saved in <b>feedback.json</b> |
| 6    | Streamlit Interface    | User-friendly frontend interface           | Implemented                                       | Yes                        | Integrated successfully       |

### Feature Implementation Summary:

|                                 |      |
|---------------------------------|------|
| Total Features Proposed         | 6    |
| Total Features Implemented      | 6    |
| Total Features Demonstrated     | 6    |
| Overall Implementation Rate (%) | 100% |
